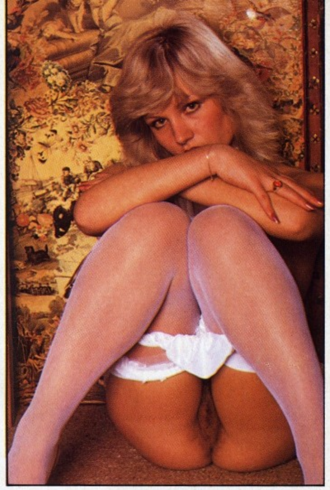
But Lisa is used to such events because she claims her attractive 34–24–36 frame is a walking disaster area. 'It's a standing joke amongst my friends that whenever I call on them something always goes wrong.' Lisa even lost a boyfriend once in a most unfortunate way. 'I decided to put on a little show for him so I sat him in a chair and began a slow striptease. But when I got down to a tiny pair of lace pants he lunged towards me, tripped over my skirt and fell headlong. He went flat on his face and broke his nose. It wasn't really my fault but I got the blame, and I never did hear from him again apart from a very short and sharp telephone call.'



Luckily for Lisa her unlucky streak does not extend to work. She is a hair stylist in a salon near her West London home. 'One hears all sorts of horror stories about hair falling out or turning a bright green, but so far I've not had anything like that happen. Away from the salon, Lisa's main interest is her large collection of tropical fish. 'My flat is full of aquariums and I spend most of my spare money on new specimens each week. I'm fascinated by all the different colours and shapes of the fish and find them far more interesting than television.' For exercise Lisa goes for long cycle rides around London on Sunday mornings.

'That was great, Sylvia, well worth blowing my Royal maundy money on.'

Anita

PHOTOGRAPHED BY MICHAEL ANCHER

One of the most attractive, and most select, parts of London is the area known as Little Venice. It is an appropriate name for here the Regents Canal winds between elegant houses, and waterbuses more at home in Amsterdam glide past. It's here you'll find the home of 20-year-old Anita Carr whose graceful 34–23–33 figure is a delight.

Perhaps Anita's most outrageous escapade took place last Christmas in a small Kensington restaurant. At midnight, she was seen chatting to a waiter then disappearing into a back room with him. 'You can guess what they were all thinking,' she chuckled. But when the waiter reappeared, her friends noticed something odd about him: not surprisingly, it was her! 'For a fiver, I'd persuaded him to change clothes with me,' she giggled. 'For half an hour I served the wine, whilst he had to sit next to my lecherous friend in my pink frilly dress, stockings and suspenders. He looked great!.'

CHRISTINE

All building societies add interest to your savings but few add quite as much as one branch in Cheltenham. Of course the financial returns are the same, but what makes this branch so much more interesting is cashier Christine Chapman. For five-and-a-half days a week, the slim 21-year-old's job is to make handing over your cash a little easier. And with a 33–22–33 figure, the assets are high.

Presenting Continental film star Sybille Rauch

PHOTOGRAPHED BY ROY BREWINGTON

'The girl with a dream figure,' that's how 21-year-old, German actress Sybille Rauch likes to describe herself. And who would disagree with that? Her 38C–24–36 body would be the object of anyone's fantasies, as well as boosting her film career.

For Sybille is not only a beautiful model but a highly successful film actress in her native Germany. Her speciality is playing sexy roles in naughty film comedies, not unlike our *Confessions* series. Her most popular role being that of Trixie in the films *Lollipop*, *Lollipop 2* and *Lollipop 3* which have also been screened in this country. She was discovered by well known German producer, Franz Marischka and rapidly is becoming as popular as her co-stars in *Lollipop*, Cleo Kretscher and the equally well-rounded Dolly Dollar. Clearly a film for fans of girls with large and lovely boobs, but don't let Sybille catch you saying that's why you want to see it. She gets annoyed with men who 'are obsessed by big breasts' and has often turned down films on those grounds.

Fortunately for filmgoers there are plenty of films featuring this statuesque stunner from Munich. Her first was called *Kurpfurscher und Siene Fixen Tochter* or *The Quack's Daughter* and was to pave the way for many more. *Three Lederhosen in St Tropez* was the unlikely title of another of her popular comedies charting the adventures of three naughty girls in the exclusive resort, whilst *Let's Go, Miner!* had her cheering the men at the coalface. But her career is taking a more serious turn. In *Bolero*, Sybille plays her first non-sex role, and she's also making a break into the pop world. Her first single, *Playmate*, has just been released to accompany a new film and if she sounds as good as she looks, it's dynamite.

Nicky

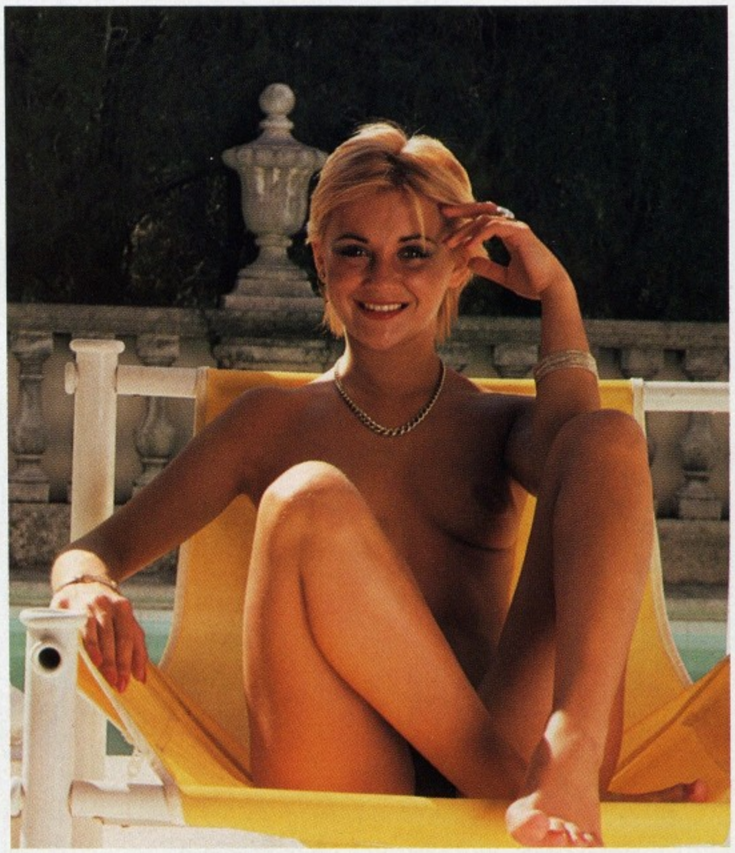
PHOTOGRAPHED BY ED ALEXANDER

If, for any reason, you are told you might have to go to hospital, we recommend trying to get a bed in Newcastle. Not only are their doctors excellent but their nurses really know how to cheer up the patients. That is if 19-year-old nurse, Nicky Steele is anything to go by. She believes that her 36–23–36 body will do more for ailing men than medicine, as well as being a tonic for the rudely healthy.

So when Nicky offered herself as a pretty form of pick-me-up who were we to disagree? Our only disappointment was that she could not appear in uniform. 'I'd have loved to but if Sister had seen it she would have wound up in Intensive Care,' she joked. In fact, Nicky often fantasises about stripping in front of the patients and certainly isn't averse to giving them a quick glimpse of stocking top when she's reaching for a bed pan. 'I know how frustrating it can be in hospital,' she said. 'I had a boyfriend who was in traction for three months after a motorcycle accident. Like everyone on the men's ward it was obvious what he wanted – and it certainly wasn't grapes. I may set a new trend in medicine.'

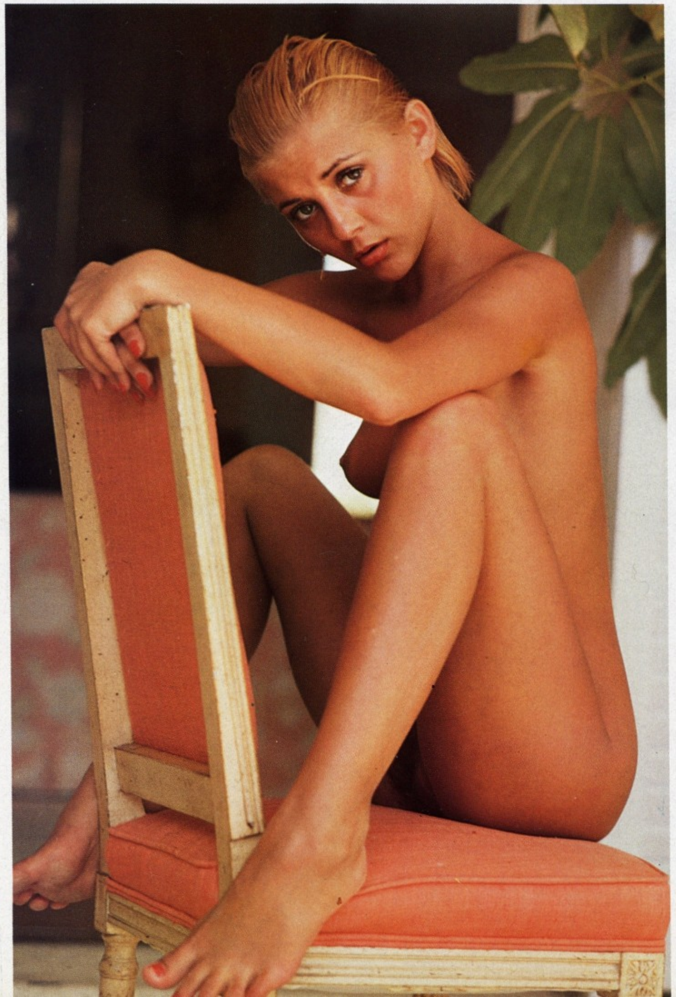
Kathy

PHOTOGRAPHED BY PETER FLODQUIST



Take a long lingering look at the nymph-like charms of top model Kathy Brown because this will probably be your last chance of seeing her 33–23–33 figure – unless you have young children. For 20-year-old Kathy, who was whisked off to Florida for this photo-session, will this autumn forsake the modelling world to start a teacher-training course.

You might have seen Kathy in the fashion pages of the *Daily Star*, which is appropriate because she designs and makes clothes for herself and others. 'I could never find exactly what I wanted in shops so I decided to make my own.' That is Kathy's main hobby, but she also finds plenty of time for swimming. 'In the summer I go down to the beach several times a day. The nude beach is too much of a tourist attraction, but there is a quieter one in Hove where I sunbathe topless.' Kathy is also learning to ride her sister's horses. 'One bolted with me and ran into a fence. I panicked but luckily didn't fall.'



Corinne

PHOTOGRAPHED BY JOHN ALLUM

When boyfriends take 22-year-old Corinne Lewis out for a meal it has to be a cut above just a plain burger and chips. Her father is a chef and although she did not follow in his footsteps, she does know a fair bit about the world of gourmet cooking. 'I wanted to meet people so I took a job in a travel agent's where I dream of faraway places. I love sunshine and booking all those holidays for people gives me itchy feet. But perhaps one day I'll be able to buy myself a South Sea island, when I win the football pools. I'm a real soccer fan and never miss Liverpool when they're at home.'

Corinne may look a demure young lady, but she can be a dangerous woman when riled because she takes a judo class twice a week. 'Living in a city I think it is important for a girl to be able to defend herself. I'm only a yellow belt at the moment, but I'm getting better all the time, as one of my brothers can confirm.' Her brother, who is two years younger and a large docker, was teasing her about judo one day and he challenged her to try to throw him. 'He kept on about it for so long that I eventually did throw him, right into the TV. His boot smashed the screen and there was a hell of a bang. My parents were annoyed for a while but they eventually saw the funny side. My brother didn't. He had to fork out for a new set.'

Gentlemen, that reminds me...

A round-up of after-dinner jokes

ILLUSTRATIONS BY RONALD COBB

A report in a learned medical magazine has recently revealed that Britain's first sperm bank was an unmitigated disaster. Apparently there were only five potential donors. Three missed the tube and the other two came on the bus.

How do you define a fallen angel?
A girl who swaps her harp for an upright organ.

A young seaman got married and arranged his honeymoon in a very expensive hotel on the south coast. Unfortunately just prior to his wedding, he realised that he didn't have any decent shoes to wear for the service or in the hotel. So a fellow seaman offered to lend him a pair. They were a couple of sizes too small but since he wouldn't be wearing them for long he decided that it wouldn't matter.
When the newly married coupled arrived at the hotel, they happened to meet the couple who were staying in the next room.
'How sweet,' commented the wife, 'a virginal young girl and a sailor boy.' Later that evening in their respective rooms, the walls being paper-thin the couple couldn't help overhearing the conversation in the bridal suite. There the young seaman was finally able to sit down and take off his ill-fitting shoes. After some struggling, he got one off.
'Phew,' he said, 'that was tight.' Overhearing, the wife in the next room said, 'See I told you she was a virgin.' Then the young seaman managed to pull off the other shoe.
'And that,' he said, breathlessly, 'was even tighter.'
'Hmm,' said the man next door, 'once a sailor, always a sailor.'

A man walked into the doctor's office.
'Doctor, doctor,' he said, 'you've got to help me. I'm suffering from hermes.'
'Mr. Barnes,' replied the doctor, 'you mean herpes.'
'No, doctor, I'm the carrier.'

George's ambition was to marry a 'true' blonde, that is blonde both upstairs and downstairs. He finally found a suitable girl. However, after having known her some time he discovered that her lower hair was dyed.
'I thought you were a true blonde,' George stammered.
'I was,' she replied.
'How do you mean?'
'Well, what happens when you hit your thumb with a hammer?' she replied.
'It goes black,' he replied.
'And, boy', she said, 'has this had some hammer.'

At school the young teacher was trying to prove to her pupils that eating a hearty breakfast made you more alert in class. So she decided to hold a general knowledge test.
'Watkins,' she demanded, 'what did you have for breakfast?'
'Two boiled eggs, toast and cereal, Miss,' he replied.
'And what is the capital of Australia?'
'Canberra, Miss.'
'Very good. Now, Johnson,' she continued, 'what did you have for breakfast?'
'Egg, bacon and tomato, Miss, and a cup of tea,' replied the eager pupil.
'So tell me, where is the River Amazon?'
'Brazil, Miss.'
'Excellent, Johnson. Now you see what a good breakfast can do.' Next she picked on a particularly untidy child who looked distinctly under-nourished.
'Earnshaw,' she said. 'Now what did *you* have for breakfast?'
'A stale crust, Miss,' replied the urchin.
'So I don't suppose you'll know the answer to this,' said the teacher defiantly. 'Where is the Indian border?' The boy replied immediately. 'In bed with Mum. That's why I only had a crust.'

While Brian was struggling with the jammed cigarette machine in the hotel lobby, his hand slipped and his elbow hit a passing girl in the chest.
'I'm terribly sorry,' he said, 'but if your heart is as soft as your breast, I'm sure you will forgive me.'
'Oh I do,' she replied smiling. 'And if the rest of you is as hard as your elbow, I'm in room 236.'

Lying in bed, the young girl watched as the man who had picked her up was undressing. Finally he pulled down his underpants.
'And who,' she laughed mockingly, 'do you think you are going to satisfy with that?' Her lover grinned.
'Me,' he said.

A small boy came running into the kitchen.
'Mummy, mummy,' he cried, 'the milkman's here. Have you got change or shall I go out and play?'

A notorious harlot called Hurst
In the pleasures of men is well versed.
Reads a sign overhead,
As you lie on her bed,
'The customer always comes first.'
